

Welcome to Beaver Creek Reserve

Beaver Creek Reserve is Chippewa Valley's best kept secret! With over 400 acres of diverse habitat including upland woods, river bottom forests, wetlands and savannahs; it is home to a multitude of flora and fauna.

Please enjoy these permitted activities on the south trails:

- ◆ Hiking/snowshoeing
- ◆ Wildlife observation
- ◆ Nature photography
- ◆ Seasonal fishing with license and trout stamps

Prohibited trail activities:

- ◆ Off-trail hiking
- ◆ Horses, bicycles and dogs
- ◆ Hunting and trapping
- ◆ Removal of any objects, including plant and animal material
